Director of Epidemiology

Johnson County Department of Health and Environment
Vaccination Update

• Johnson County DHE is currently vaccinating:
  – 65+
  – Remaining persons from Phase 1
  – Remaining categories in phase 2
  – 2nd doses

• A text/email poll was sent out to people 65+ and those who responded that they are not vaccinated will be targeted for appointments

• Lenexa vaccination clinic will open next week
Phase 3/4...

- DHE has a new online interest form for people eligible in phases 3, 4 and 5.

- Johnson County will move to Phases 3 and 4 with the state next week as we finish out Phase 2.

- Phase 2 residents remain a priority so there will be few phase 3 appointments available next week.

- JCDHE has finalized plans with healthcare system to vaccinate staff in higher education.

- We also have worked out plans with companies including Tyson and Amazon to vaccinate their employees.
There are current ZERO active outbreaks in our senior living facilities!
WebIZ Data (3/17/2021)

We Must Remain Vigilant - This is a Marathon

• Masks work! Wear a cloth face covering when in a community setting, especially in situations where you may be near people.

• Practice physical distancing even with face coverings.

• Handwashing works! Wash your hands often.

• Stay home if sick; stay home if you’ve had close contact.
