Details

• For the 3 Johnson County hospitals that treat COVID patients in their hospitals, the percent of their ICU beds that are occupied by COVID patients is estimated to be about 9%.
Other details

• We are finding more cases

• Most are occurring outside of LTCF
  – From last Wednesday (6/17) to this Wednesday (6/23) we have had a **24%** increase in the number of cases reported to us (1,105 to 1,369 cases).

  – In the previous week (6/10 - 6/16), our cases increased by only **14%** (972 to 1,105 cases)

  – And the week before only **13%** (863 to 972 cases).

• Total number of tests administered versus positive results:
  – Week of 6/10 - 6/16, we received results for 4,920 tested individuals
  – Week of 6/17 - 6/23, we received results for 3,751 tested individuals

  – Even though there were **1,341 less test results from county residents this past week compared to 2 weeks ago**, we **still had 130 more new cases compared to the total number of new cases from 2 weeks ago.**
Testing

- Appointment-based testing at Health Services Building, Olathe
  - Available Mondays to Thursdays, 8:00 a.m. - 1:00 p.m. Note change in hours
  - Now extended to everyone with or without symptoms. T
  - Number of available slots has been increased to 120 per day.
