Attn: Penny Postoak Ferguson
111 S. Cherry St., S-3300
Olathe, Kansas 66061-3441

Dear Members of the County Board of Commissioners and Ms. Postoak Ferguson:

Please be advised that on March 2, 2021, the Lenexa Governing Body passed Resolution No. 2021-020 providing for notice to be given for a Public Hearing to consider adoption of Redevelopment TIF Project Plan 7 ("Project Plan 7") for the Ridgeview Mining TIF District in the City of Lenexa. The public hearing to consider the adoption of TIF Project Plan 7 shall be held at the Lenexa City Council meeting on Tuesday, April 6, 2021, at 7:00 p.m., or as soon thereafter as it can be heard, at the Lenexa City Hall, 17101 W. 87th Street Parkway, Lenexa, Kansas.

Pursuant to K.S.A. 12-1770 et seq., a copy of the aforementioned Resolution No. 2021-020, and the sketch of the area proposed to be included within Project Plan 7 (as reflected on Exhibit A) are enclosed. Additionally, courtesy copies of TIF Project Plan 7 and the Lenexa City Council Packet Memo are enclosed.

If you have any questions regarding this matter, please direct your inquiries to Sean McLaughlin, City Attorney. Sean can be reached at 913-477-7624.

Sincerely,

CITY OF LENEXA

Jennifer Martin

REDEVELOPMENT PROJECT PLAN 7
FOR THE RIDGEVIEW MINING TIF DISTRICT

(Viracor Project)

In accordance with K.S.A. 12-1770 et seq., as amended (the "Act"), to promote, stimulate and develop the general and economic welfare of the city of Lenexa, Kansas ("City"), the Lenexa City Council adopted Ordinance No. 4074 on June 17, 1997, establishing the Meritex Redevelopment (TIF) District (the "Meritex TIF District"). The Meritex TIF District was amended on January 19, 2010 by Ordinance No. 5135 electing to apply the provisions of K.S.A 12-1770 et. seq., as thereafter amended (the "Act"). The Lenexa City Council adopted Ordinance No. 4826 on December 20, 2005, establishing the South Mining Redevelopment (TIF) District (the "South Mining TIF District"). The South Mining TIF District was amended on May 19, 2009 by Ordinance No. 5094 to add additional area. The Meritex TIF District and the South Mining TIF District were amended on June 1, 2010, by Ordinance No. 5145, combining the Meritex TIF District and a portion of the South Mining TIF District to create the Ridgeview Mining TIF District (the "Ridgeview Mining TIF District" or the "District"). The Ridgeview Mining TIF District includes approximately 961 surface and subsurface acres located south of Prairie Star Parkway, west of Renner Blvd., east of Mill Creek and north of K-10 and legally described in attached Exhibit A.

The Act allows one or more TIF projects to be undertaken by a city within an established district and any such project plan may be implemented in separate development stages.

The City desires to establish another project plan in the Ridgeview Mining TIF District. Project Plan 7 (the "Project Plan 7", also referred to as the "Project Plan") will include approximately 15 surface acres located in the northeast corner of the intersection of Ridgeview Road and 99th Street and is legally described on Exhibit B (the "Project Plan 7 Area"). The Developer for the Project Plan is Lenexa 99th Street Real Estate, Inc. (the "Developer"). The improvements anticipated within the Project Plan 7 Area, include but are not limited to, an office/laboratory/warehouse facility approximately 108,750 sq. ft. and associated ancillary improvements all of which are more specifically described in Section 5 herein.

Project Plan 7 shall extend for a period of twenty (20) years from the date the Project Plan is approved by the City (the "Project Plan Term"). The incremental ad valorem property taxes (as defined by the Act) generated from the real property within the Project Plan 7 Area during the Project Plan Term in excess of the amount of real property taxes collected for the base year assessed valuation shall constitute the "TIF Revenues". In accordance with the Act and in cooperation with the Planning Commission, the City prepared Project Plan 7.

Staff prepared a Financial Feasibility Study ("Feasibility Study") for Project Plan 7 attached hereto as Exhibit E. Projections on development in the Project Plan 7 Area were provided by the Developer. The Feasibility Study incorporates a number of assumptions, including a constant mill levy of 96.581, which excludes the 20 mill school levy and the 1.5 State mill levy. The mill levy may vary each year of the TIF Term based on legislative actions and budgetary decisions made by the individual taxing jurisdictions. It also assumes property tax collection at 100%, Private Project completion by July 31, 2023, an appraised value of $20,000,000, and a 1.5% annual increase in appraised valuation after the Private Project is fully constructed and stabilized.

The Developer will advance funds necessary to construct the Private Project and to pay the costs associated with the estimated and approved, private TIF eligible reimbursable costs set forth generally on Exhibit C attached hereto (the "Private TIF Reimbursable Costs"), and it is contemplated that Developer will subsequently be reimbursed with TIF Revenues received by the City on a “pay-as-you-go” basis. Such advances and reimbursements will be made in accordance with the terms of a Disposition & Development Agreement executed by the Developer and the City (the "DDA"). The Private TIF Reimbursable Costs are set forth in more detail in the DDA. The City also identified various public reimbursable costs set forth generally on Exhibit C which include reimbursement for the cost associated with the Ridgeview Road Project and other public improvements in the District (the "Public TIF Reimbursable Costs"), which costs are eligible for TIF reimbursement in accordance with the Ridgeview Mining TIF District Plan and the terms of the DDA. Collectively, the Private TIF Reimbursable Costs and Public TIF Reimbursable Costs are referred to as the "TIF Reimbursable Costs".

There is an estimated total of $10,000,000 in TIF Reimbursable Costs identified with Project Plan 7, but reimbursement of TIF Reimbursable Costs is dependent upon the amount of TIF Revenues generated within the Project Plan 7 Area during the Project Plan Term and received by the City, and shall be paid in accordance with the amount, priority and duration set forth in the DDA. In no event will any TIF Reimbursable Costs be reimbursed in an amount that exceeds the amount of TIF Revenues available.

The Feasibility Study indicates that, if the projected development, assessed values and tax revenues are accurate, TIF Revenues will be sufficient to reimburse the Developer for a portion of the approved Private TIF Reimbursable Costs. Other revenue sources, including but not limited to private equity, are available to meet Private TIF Reimbursable Costs and other private development costs associated with the Project. TIF Reimbursable Costs must (1) be reasonably approved by the City in accordance with the terms of the DDA; (2) meet the definition of “redevelopment project cost” set out in K.S.A. 12-1770a(o), as amended; (3) be an eligible expense under the City’s adopted TIF Policy codified in the City’s Administrative Procedures Manual at Article GB05-E and associated administrative TIF Procedures in Article AD05-B (the "City TIF Policy and

#RFUVKCYI0D5UA3v1
Procedures”), unless otherwise permitted in the DDA; (4) be authorized in this Project Plan 7 and in the Ridgeview Mining TIF District Plan; and (5) be in compliance with the terms for reimbursement and prioritization described with particularity in the DDA.

The City has authorized a maximum reimbursement of $5,478,113 to Developer for Private TIF Reimbursable Costs and anticipates reimbursing Developer for such Private TIF Reimbursable Costs incurred and paid by the Developer with available TIF Revenues generated during the twenty (20) year Project Plan Term. The Public TIF Reimbursable Costs total $5,000,000 plus the annual TIF Administrative Fee (as defined in the DDA) and will be reimbursed to the City with available TIF Revenues in the time and priority set forth in the DDA. Based on the current projections and cash flow analysis contained in the Feasibility Study, it is determined that the Project benefits, TIF Revenues and other available revenues, exceed the TIF Reimbursable Costs, and that the TIF Revenues and other available revenue sources, including private revenue sources for the private costs, should be sufficient to pay for such TIF Reimbursable Costs. For any improvements constructed by Developer in Project Plan 7, the Developer is responsible for all expenses, including but not limited to, Private TIF Reimbursable Costs, even if they exceed the amount of available TIF Revenues. The City reserves the right to amend the specific approved TIF Reimbursable Costs, and the amount, duration and prioritization thereof, to conform to the provisions of the DDA. City may also amend this Project Plan 7 in accordance with state law and the DDA.

In summary, assuming Project Plan 7 commences construction by the end of 2021 and completion of all phases by December 31, 2022, the City anticipates the ad valorem property tax increment will generate approximately $10,526,272 over the Project Plan Term (the “Estimated Total TIF Revenue Projection”). The Developer will be responsible for all expenses of Developer, including the Private TIF Reimbursable Costs, above the TIF Revenue generated from Project Plan 7 and allocated to the Private TIF Reimbursable Costs during the Project Plan Term. If the TIF Revenue does not meet the estimated total TIF Reimbursable Costs, the City shall be under no obligation to provide financial assistance to Developer beyond the TIF Revenues actually generated from the Project Plan 7 Area in accordance with the distribution formula and term set out in the DDA. A summary of the feasibility assumptions and Estimated Total TIF Revenue Projection is included in Exhibit E.

2. Redevelopment District Plan and Redevelopment (TIF) Project Plan 7.

Redevelopment District Plan (Ridgeview Mining TIF District Plan)

The Ridgeview Mining TIF area includes land within the City of Lenexa, Kansas, generally described as an area of approximately 961 surface and subsurface acres located south of Prairie Star Parkway, west of Renner Blvd., east of Mill Creek and north of K-10. The Ridgeview Mining TIF District Plan contemplates multiple
surface and subsurface redevelopment project areas and various public infrastructure projects, all of which will help remediate and reclaim the land within the Ridgeview Mining TIF area. Development of individual project plan areas and the public infrastructure will be built in phases in accordance with one or more approved redevelopment project plans within the Ridgeview Mining TIF District.

In accordance with the Ridgeview Mining TIF District Plan, TIF increment may be used to pay for eligible project expenses within specific project plan areas for such items including, but not limited to, reclamation; geotechnical evaluation and structural study and improvements of the surface and/or subsurface; relocation or installation of public utilities; public or private streets, including Ridgeview Road and 99th St., alleys, drives, bridges and other incidental uses associated therewith; watershed improvements; drainage and stream way buffers; landscaping; open space and park amenities; surface and structured parking; eligible costs associated with retail, office, business park, hotel, entertainment venues and multi-family uses; and other authorized uses set forth in the Ridgeview Mining TIF District Plan that are allowed pursuant to the Act and the City TIF Policy and Procedures.

Redevelopment (TIF) Project Plan 7

Project Plan 7 incorporates approximately 15 surface acres of improvements located within the Ridgeview Mining TIF District. Project Plan 7 Area is legally described in Exhibit B and will include improvements described in Section 5 herein.

A map of the Project Plan 7 Area is attached as Exhibit D.

4. Relocation Assistance Plan.

No relocation will occur as a result of Project Plan 7 and therefore no relocation assistance plan is provided.

5. Description of the Building and Facilities Proposed to be constructed.

The Private Project part of Project Plan 7 is anticipated to include approximately 108,750 sq. ft. of office, laboratory and warehouse uses in one facility as well as surface parking, sidewalks, landscaping, site development, and associated infrastructure. Private TIF Reimbursable Costs incurred as a result of Project Plan 7 include, but are not limited to, land acquisition, architectural and engineering costs associated with the site improvements (but excluding all other vertical buildings to be owned or leased by the Developer), infrastructure improvements, site development, surface parking, lighting, landscaping, hardscape, utilities located within the right-of-way, sidewalks, and related site
amenities, and TIF Administrative Fee. The Private TIF Reimbursable Costs are described in more detail in the DDA.

Public improvements include, but are not limited to, the Ridgeview Road Project; sanitary sewer extensions within the District; public street infrastructure projects within the District; land acquisition costs within the District; and public park improvements within the District (the "Public Improvements").

6. Other Relevant Information.

a. Reimbursement of TIF Reimbursable Costs shall be made from ad valorem property tax increment (as defined in the Act) actually received by the City from Project Plan 7 Area and deposited into the special fund established by the City in accordance with K.S.A. 12-1778 (the "Project Plan 7 Fund").

b. If sufficient TIF Revenues are not available to pay all of the Private TIF Reimbursable Costs, the City is under no obligation to reimburse Private TIF Reimbursable Costs from any other source.

c. Prior to any reimbursement of Private TIF Reimbursable Costs, each entity receiving reimbursement with TIF Revenues shall enter into a separate, valid and enforceable DDA with the City. The procedure for distribution, reimbursement and priority of payment of the Private TIF Reimbursable Costs shall be set out in the DDA and consistent with this Project Plan 7.

d. Project Plan 7 is located within the Project Plan 2 area adopted by Ordinance No. 5594 on April 18, 2017. The City may subordinate its right to receive TIF Revenue reimbursement in a separate, valid and enforceable DDA with the Developer.

Notwithstanding any other provision of this Plan to the contrary, reimbursable expenditures shall at all times be consistent with the Act, including judicial interpretation of the Act.

\(^1\) This sum shall be reimbursed to Developer if paid to City by Developer, and if not, it shall be deducted from the first Private TIF Reimbursable Cost payment (and thereafter until paid in full) and paid to the City. This sum excludes the Annual Administrative TIF Fee as it is TBD based upon eligible TIF Revenues disbursed.

\(^2\) The City has only authorized a maximum reimbursement to the Developer of $5,478,113 for eligible Private TIF Reimbursable Costs. The Developer will be responsible for all expenses of Developer, including costs associated with completing the Project as well as the Private TIF Reimbursable Costs even if they exceed the TIF Revenue generated from Project Plan 7.

\(^3\) The Total Maximum Aggregate of TIF Reimbursable Costs does not include a sum for the Annual Administrative TIF Fee as this amount is to be determined as it is based upon the annual amount of TIF Revenues disbursed to Developer.

RESOLUTION NO. 2021-020

A RESOLUTION PROVIDING FOR NOTICE OF A PUBLIC HEARING TO CONSIDER ADOPTION OF REDEVELOPMENT PROJECT PLAN 7 FOR THE RIDGEVIEW MINING TIF DISTRICT (VIRACOR PROJECT).

WHEREAS, the Lenexa City Council on June 17, 1997 adopted Ordinance No. 4074 establishing a Redevelopment District pursuant to K.S.A. 12-1770 et seq., as amended ("Original District"); and

WHEREAS, the Original District was amended on January 19, 2010 by Ordinance No. 5135 electing to apply the provisions of K.S.A 12-1770 et. seq (2001) as thereafter amended (the “Act”) and further amended June 1, 2010 by Ordinance No. 5145, at which time the Original District and a portion of the South Mining TIF District were combined to create the Ridgeview Mining Development District (the “Ridgeview Mining TIF District” or the “District”); and

WHEREAS, the Governing Body desires to consider adopting Redevelopment (TIF) Project Plan 7 ("Project Plan 7") in accordance with the Act. The purpose of Project Plan 7 is the construction of an approximately 108,750 sq. ft. office/laboratory/warehouse facility and associated improvements in the Project Plan 7 area; and

WHEREAS, a feasibility study has been completed which indicates the benefits derived from Project Plan 7 are significant. Revenues from the redevelopment (TIF) project area included in Project Plan 7, the District and other available revenues are expected to be sufficient to pay for the eligible TIF reimbursable project costs; and

WHEREAS, on March 1, 2021, the Planning Commission of the City reviewed Project Plan 7 and passed its Resolution No. 2021-1 finding that Project Plan 7 is consistent with the comprehensive general plan for the development of the City.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LENEXA, KANSAS:

SECTION 1: A public hearing to consider the adoption of Project Plan 7 shall be held at the City Council meeting on Tuesday, April 6, 2021 at 7:00 p.m., Central Standard Time, or as soon thereafter as it can be heard, at the Lenexa City Hall, 17101 W. 87th Street Parkway, Lenexa, Kansas.
